Mission Statement

The University of Mary Washington is one of Virginia's outstanding public liberal arts universities, providing a superior education that inspires and enables our students to make positive changes in the world.

The University is a place where faculty, students, and staff share in the creation and exploration of knowledge through freedom of inquiry, personal responsibility, and service. UMW regards the provision of high-quality instruction as its most important function. The University offers a wide range of undergraduate and graduate programs focusing on both disciplinary and interdisciplinary studies. These academic programs afford students opportunities to integrate and apply their knowledge within broad educational experiences, to develop their professional interests, and to practice the habits of mind necessary for life-long learning. Through a professionally engaged faculty, the University supports ongoing research appropriate to the development of student abilities and faculty interests. It especially encourages the participation of undergraduates in research.

UMW's size, dedicated faculty, and historical commitment to fine teaching create an institutional culture where both undergraduate and graduate students benefit from strong connections with their faculty and multiple opportunities for active learning.

Located in Fredericksburg, between our nation's capital and the capital of the Commonwealth of Virginia, the University of Mary Washington is a nexus for engagement among diverse communities and is dedicated to supporting professional advancement and economic development and to improving the regional quality of life.

We fulfill our mission by fostering students' intellectual and creative independence, facilitating their immersion in local, regional, national, and international communities, and by inculcating the values of honor and integrity. UMW graduates are models of adaptive learning, personal achievement, responsible leadership, service to others, and engaged citizenship in a global and diverse society.

Spirit Rock

The Spirit Rock is an emblem of school spirit and acts as a forum for student expression. It belongs to the students and can be freely painted with messages to celebrate University traditions, promote events, and highlight occasions of significance.

Custom and courtesy dictate that newly painted messages be allowed to remain in place for at least 24 hours before the Rock is repainted.

The Spirit Rock can be used to convey spirit in many ways, including but not limited to advertising an event, celebrating the community, or congratulating a victorious team. The Spirit Rock is part of student life at the University of Mary Washington; students are ultimately responsible for it.

Messages on the Spirit Rock cannot include any material that is illegal or in violation of University policies. The Student Code of Conduct applies to the Spirit Rock. Only latex paint is permitted; no spray paint allowed.

For certain periods of time, the Spirit Rock is reserved for university-wide events and occasions, including Orientation, New Student Arrival, the Multicultural Fair, and Reunion Weekend.

Questions regarding the Spirit Rock should be addressed to the Student Government Association.

Student Government

Every enrolled undergraduate student at UMW automatically becomes a member of the [Student Government Association](#) (SGA). As stated in the SGA Constitution, the purpose of SGA shall be to “work for a better University community through the development and strengthening of individual responsibility and citizenship. The SGA shall provide the channel through which student voices and concerns can be heard and shared with the faculty, staff, and administration.”

Welcome Letter from the Student Government Association (SGA) President

Dear New Eagles,

Welcome to the University of Mary Washington! I am pleased to be able to call you a fellow Eagle and humbled to offer you some of your first greetings as you join a community that I hope you will call home.

By now, you have heard about the abundance of student organizations/clubs (140+), the value and flexibility of a liberal arts education (even if you have to take a math class), and many of the other amazing qualities that make UMW beautifully unique. While I do not want to detract from the above, I wish to offer different advice:

Find your light.

Can't find a major that fits your interests? Create one.

The clubs just don't hit home for you? Start one.

Friends from high school change/holding you back? Find new ones.

Take issue with a school policy or action? Stand up and say something.

The beauty of UMW is the power you hold to make it your own. It's not just an education or an adventure, it's an extension of you. My responsibility as your President is to help you make those connections and amplify your voice to effect action.

Your future at Mary Wash is bright, and exactly what you make of it. The faculty, staff, administration, and your fellow students all hold the spotlight; you just need to show us where to point it.

In Service,

Matt Good

President

Student Government Association

University of Mary Washington

Welcome Letter from the Honor Council President

Dear Eagles,

Welcome to the University of Mary Washington! We are so excited to have each and every one of you joining our community.

Here at Mary Washington we live in a community of trust where every community member holds each other accountable under our Honor Constitution.

When you accept admittance to the University of Mary Washington, you pledge to abide by the Honor System in your everyday life on campus, and you pledge to hold your peers accountable for their actions if they do not. The Honor System is a long-standing tradition at Mary Washington which enables the community to trust one another and provides a reputation outside of this campus stating that the work you have done to achieve the degree you earn from this university, is entirely your own.

The Honor Council here at the University of Mary Washington consists of five representatives from each class who are elected by the student body and are charged with upholding the Honor Code in everything they do.

Aside from the superb academic reputation and beauty of the M. Wash campus, the main reason I chose to attend this university is because it feels like home, and in my time here I have learned that the Honor Code is why; because *the Honor System is a way of life*.

Best of luck on all your endeavors,

Sarah E. Balenger
President
Honor Council
University of Mary Washington

Through a comprehensive program of grants, scholarships, loans, and student employment from federal, state, institutional, and UMW Foundation resources, the [Office of Financial Aid](#) strives to assist applicants with various aid sources to pay for college expenses. A student must fill out a FAFSA form by February 1 of each year. The FAFSA is completed online and can be accessed through the [Financial Aid Web page](#). Students apply for UMW Foundation scholarships by May 1 of each year. For more information about available financial aid, visit our website at www.umw.edu/financialaid.

Student Health Center

Lee Hall 112; 540/654-1040

The [Student Health Center](#) (SHC) is a weekday health clinic that focuses on routine and nonemergency acute health care needs of the UMW students. On site specialty care includes reproductive and sexual health services, allergy shots, travel and mental health consultations, and some immunizations. Appointments are preferred but walk-in sick visits can be accommodated. Our providers include a Board Certified Family Physician, Nurse Practitioner, and nursing staff. A small on-site pharmacy can provide students with common medications prescribed by the UMW physician. While health insurance is not required to be seen at the SHC, it is highly encouraged as it will decrease costs if student is referred to the ER, laboratory, or x-ray facility.

After hours, free medical advice is available via HealthLink at 540-741-1000. Any **medical emergency** is handled by contacting a Resident Life staff member or Campus Police at 540-654-4444.

Student health information is **confidential** and can only be released with the student's permission. The SHC cannot issue medical excuses, only verify a student's visit to the Student Health Center.

For student's convenience, health information pamphlets, free OTC pain relief, antacids, and condoms are available in the Mary Gilson Memorial Self Care Center located near the SHC in Lee Hall.

Note: All entering students (taking 9 credits or more) are required to have a [Health History /Immunizations/Tuberculosis Screening form](#). Students who do not submit their Health Forms to the SHC by the due date (August 1st for Fall enrollment, January 3rd for Spring enrollment) will have a hold place on their accounts and will not be able to register for second semester classes until their forms are completed.

James Farmer Multicultural Center

University Center, Room 319; 540/654-1044

Named for civil rights leader and UMW Distinguished Professor of History and American Studies James Farmer, [the Center](#) welcomes students from all ethnic and cultural backgrounds. The Center's most important goal is to enhance students' educational experiences at UMW by increasing awareness and knowledge of diversity issues that impact the individual and the community; these include cultural, religious, sexual orientation, gender, intellectual, and social interests.

The [James Farmer Multicultural Center](#) specifically focuses on the academic and social wellbeing of under-represented students through programming, mentoring, and leadership opportunities. While diversity is a goal for all University organizations, several specific interest groups on campus assist in promoting diversity within the University community and offer programs and resources that foster an awareness and understanding of cultural differences. The Center offers a variety of cultural programming including the highly respected Cultural Awareness Series. The series culminates with the spring Multicultural Fair, which attracts huge crowds to campus.

Office of Student Conduct and Responsibility (OSCAR)

Marye House, 2nd Floor; 540/654-1660 Mission

Statement:

The [Office of Student Conduct and Responsibility](#) (OSCAR) supports the Division of Student Affairs' overarching mission to promote student success, learning, and personal wellness. In doing so, it also supports the University's overall mission, which is to provide students with a superior education that inspires and enables them to make positive changes in the world.

OSCAR supports these missions by upholding a Code of Conduct, a set of guidelines for how UMW students are to conduct themselves, and what conduct they should expect from one another. These guidelines, based on principles of student development, are intended to facilitate all students' learning and personal growth within the University and beyond, and to create a community of integrity. Students' success, ability to learn, and wellness should not be negatively impacted by the conduct of other students, or by their own conduct. Students whose actions are inconsistent with the Code of Conduct are held accountable through a fair and compassionate process in which education is a primary value. OSCAR upholds an environment in which personal growth is facilitated, citizenship is promoted, and sensitivity to others within the community is balanced against each student's need for personal expression. Related to their conduct, UMW students have both rights and responsibilities, and OSCAR assists students in understanding how those rights and responsibilities benefit all members of the UMW community, including themselves.

Degree-seeking undergraduate students are assigned a Woodard Campus Center mailbox, which is shared with another student; BLS students are not assigned campus mailboxes.

Safety Cell Phone App (Rave Guardian)

[Rave Guardian](#) is a safety “app” for cell phones. It is UMW specific and can be downloaded for free from the iTunes App Store or Google App Store. Rave Guardian improves safety for students on campus by providing a higher level of communication with campus safety and with friends/family they designate as “guardians.”

The app lets users set a “Safety Timer” session that, once activated:

- “Guardians” in their virtual safety network can monitor the user’s status updates and location.
- Guardians are automatically notified at assigned check-in times.
- If the timer expires or the user initiates a panic call, Rave Guardian automatically notifies trusted safety resources.

Students can create a safety profile containing such details as residence and medical condition information that are automatically presented to campus safety officials during an emergency call.

Safety Escort Service (Eagle Patrol)

The [UMW Police Department](#) provides an escort on foot or by golf cart for any UMW student, faculty, or staff member from one point on campus to another, especially during hours of darkness. Students may request this service by stopping by University Police in Brent House, via use of a campus emergency phone, or by calling the University Police at 540/654-4444 or the non-emergency number, 540/654-1025.

Student Accounts

Lee Hall, Room 206; 540/654-1250

Everything you need to know about current tuition and fees, room and board, payment options, due dates, and more can be found at the [Student Accounts](#) website, adminfinance.umw.edu/studentaccounts, or by phone at 540/654-1250.

Tuition bills are available online through EaglePAY. An email notification will be sent to your UMW email address once the bills are available. Students can add additional email addresses or sign up authorized payers within EaglePAY. Fall semester bills will typically be available during the second or third weeks of July, and the spring semester bills will be available during the second or third weeks of November. All new charges or unpaid account balances will be billed periodically throughout the semester. Accounts not covered by financial aid, prepaid tuition programs, or by the installment payment plan are due by the date specified on the bill (typically the beginning of August for the fall semester and beginning of December for the spring.)

You may pay your account with cash, cashier's check, money order, personal check, automated clearing house (ACH), or credit card. Credit card payments are made online through a University-approved third party, which charges a service fee. Online ACH payments are not charged a service fee. Students who wish to grant access to another person to view and make payments on their account must first set up the person as an authorized payer within EaglePAY.

We encourage everyone to make payments online through [EaglePAY](#), to avoid mailing delays that might cause a hold or a late fee on the account. If payments are mailed, they should be mailed directly to the UMW Cashier's Office with the student ID attached. You also may make cash/check payments in person on the second floor of Lee Hall. Outside scholarships must be received by the due date of the bill. Failure to pay a bill by its due date may result in late fees and a hold on your account. Grants, loans, and scholarships are credited to student accounts in the order that UMW receives them. Accounts are reviewed periodically to identify overpayments, in order to issue refunds. Please see adminfinance.umw.edu/studentaccounts for more information.

Student Activities and Engagement

University Center, 3rd floor; 540/654-1061

[SAE](#) provides oversight to a myriad of student activities on campus. Its staff members assist students as they propose, develop, and execute plans for events and programming. They work with student organizations in the planning of campus-wide concerts and/or shows and traditional events. SAE collaborates with students, faculty, and staff to promote programs and opportunities for campus entertainment, and it assists students in developing interpersonal, organizational, leadership, and citizenship skills.

Sustainability

UMW is committed to the environmental, cultural, economic and social aspects of [sustainability](#).

Check it out at sustainability.umw.edu. Look for the following programs:

Green Dining: Campus Dining is committed to sustainable dining. Dining at the Top of the University Center does not permit disposable containers of any kind. Reusable food trays and mugs approved and provided by Campus Dining must be used for all take-out orders. All food and paper waste is processed through a pulping machine and disposed of in a sustainable manner. Exhaust hoods over all cooking stations employ automatic sensors that adjust fan operations to the amount of heat and steam emanating from cooking surfaces. Campus Dining recycles grease, uses Fair Trade coffees and teas, and employs energy-efficient ware washing systems. UMW is one of only five Virginia schools to achieve the "Virginia Green" environmental certification.

Recycling: Recycling is available in all campus buildings. How and what to recycle is available at sustainability.umw.edu.

LEED: All new university buildings and renovations are LEED (Leadership in Energy and Environmental Design) certified. Energy Star-rated equipment is standard.

Getting Involved in Sustainability at UMW ...

Eco Reps: Students work with the Sustainability Office to develop and implement sustainability education and awareness and plan RecycleMania, an 8-week national recycling competition.

Ecology Club: The student-run Ecology Club leads the sustainability movement on campus, partnering with national organizations including the Campus Climate Challenge and Energy Action Coalition, Chesapeake Climate Action Network, and the Rappahannock Chapter of the Sierra Club, as well as on-campus groups.

Environmental Sustainability Minor: This interdisciplinary sustainability minor explains what sustainability is and how it is used in the real world. Students can deepen their understanding of the environmental movement, social justice, economic development, and the interactions among them.

Internships: Sustainability-focused internships are offered through the Career Services Office and have included work on funding and grant writing for sustainability programs, food waste reduction campaigns, RecycleMania planning and organizing, and sustainability PR and communication.

UMW President's Council on Sustainability: This council involves students in planning sustainability goals as members or with a PCS Action Group. See sustainability.umw.edu.

Additional information is available at sustainability.umw.edu or contact the Sustainability Office at 540/654-1165.

Talley Center for Counseling Services

Lee Hall, Room 106; 540/654-1053

Staffed by mental health professionals experienced in helping students with a range of personal problems and complex challenges in their lives, [Talley Center](#) services are free to full-time, undergraduate degree-seeking students. Those services include individual evaluation, short-term individual and group therapy, consultation, crisis intervention, and, when appropriate, referral to other local mental health resources. Psychiatric services are available to undergraduate students who are actively engaged in counseling services at UMW or at the discretion of the Director of

Counseling Services in relation to emergency needs. Psychiatric services are available during the fall and spring semesters for full time enrolled students. Limited psychiatric services are offered during summer sessions for those students who are already receiving UMW psychiatric services. No new psychiatric services patients are seen during the summer sessions.

Crisis intervention, consultation, educational programming, and referral services are open to the entire UMW community.

UMW Alert System

The [UMW Alert](#) allows UMW community members to register their email, cell phone, and other communication devices. As a registered student, you will receive an email within your first few days on campus with directions on how to sign up and specify how you want messages delivered.

UMW Alert will provide emergency instructions and updates. UMW also uses an outdoor warning system to alert campus members of any situation warranting movement to a safe indoor location. Blue light phones outdoors and red telephones indoors can be used for emergency assistance. Emergency assistance from University Police can also be received by calling 540/654-4444.

Violence Prevention and Threat Assessment

The [Violence Prevention Team](#) (VPT) is a multidisciplinary group composed of members of various campus departments who meet regularly to develop comprehensive threat management oversight and programming for UMW. The team also provides guidance to the campus community regarding the recognition of behavior that may represent a threat to the community and how such behavior should be reported.

The [Threat Assessment Team](#) (TAT) is also a multidisciplinary group and meets regularly (and as needed in crisis situations) to recognize and respond to various types of threats and concerns that may pose a significant disruption to the campus environment and thus the institution's academic mission.

The [Behavioral Intervention Team](#) (BIT) has the primary focus on intervening with and supporting students of concern, including troubled or disruptive students. It has the ability to respond to potential threats by referring students for treatment, notifying parents, developing behavioral contracts or administratively withdrawing students from housing or the University depending on the severity of the threat and any extenuating circumstances. The team seeks to foster collaborative relationships with University departments and to maintain open lines of communication with previously identified and referred students, their families, faculty, and staff.

Reporting concerns about threatening or dangerous behavior: “It may be nothing, but ...” If you experience or are informed of any behavior which may present a danger/threat to the University community or if you are aware of circumstances where intervention may support or engage a student at a critical moment in his/her educational experience – please call and report the information to a member of the Violence Prevention Team, the Treat Assessment Team or use this form online [UMW Reporting Form](#). Even concerns that may seem minimal can be a part of a broad issue impacting a student or community member.

What should be reported?

There are many behaviors that may cause concern for the safety and well-being of an individual or the campus as a whole. The following is not an exhaustive list, but provides examples of concerning behaviors or situations:

- Unusual or abrupt changes in behaviors or patterns;
- Extreme reaction to a loss or traumatic event;
- Preoccupation with weapons, violent events, or persons who have engaged in violent acts;
- Uncharacteristically poor performance;
- References to harming others or planning a violent or destructive event;
- Evidence of depression, hopelessness, or suicidal thoughts/plans;
- Inappropriate responses such as prolonged irritability, angry outbursts, or intense reactions;
- Strained interpersonal relations, isolating behaviors, or low self-esteem;
- Significant change in life circumstances such as loss of job or relationship.

(Randazzo and Plummer, 2009, pp.123-125)

It is important to share the name of the individual(s) involved and specific behavioral observations. UMW will accept anonymous reports, but having limited information minimizes options when addressing the situation.

When should I make a report?

Early intervention is essential... Early intervention allows members of the UMW community to address concerns and issues in the timeliest manner possible. Through early detection many problems may be averted and situations resolved without incident.

How do I make a report?

If you are aware of an emergency or immediate safety concern, call 911 or 4444 from a campus phone, and report the situation to law enforcement.

If you are concerned about threatening behavior or a disturbing situation that is NOT an emergency event, contact the University of Mary Washington Police Department. In non-emergency situations you may also call a member of the VPT or TAT team to discuss the circumstances of the situation and initiate a report. Visit <http://students.umw.edu/threatassessment/> for more information and email addresses for team members or call the Office of Student Affairs at 540-654-1062.

University Center

The University Center houses UMW Dining as well as student offices, Student Activities and Engagement, Student Involvement, the Office of Transfer and Off-Campus Student Services, the Center for Community Engagement, and the James Farmer Multicultural Center. Retail dining here includes Qdoba, Li'l Joe's (proudly serving Starbucks Coffee), and Jamba Juice.

Comfortable spaces to meet and relax have led this to be called the "campus living room." A ballroom and plentiful meeting space support this vibrant and well-frequented facility.

University Police

Brent House, 540/654-1025; Emergency 540/654-4444

Note: Any campus emergency phone connects to the emergency line.

The goal of the [University Police Office](#) is to provide a safe and secure living, working, and learning environment. These professionals provide security, law enforcement and crime prevention services to the UMW community. University Police Officers are state-certified law enforcement officers having the authority to enforce University rules and regulations as well as to arrest for violations under the Code of the Commonwealth of Virginia (criminal and motor vehicle laws). Safety is everyone's responsibility and requires all community members to be actively engaged. UMW community values encourage *active bystanders* to make a difference by taking action – if you see something, report something. Suspicious activities or unsafe conditions on campus may be called in directly to the UMW Public Safety Emergency Communications Center (540/654-1025) or for less urgent matters, reported anonymously through the Silent Witness Program available on the Police website.

UMW Police offer crime prevention and personal safety programming throughout the school year that is designed to enhance the quality of campus life; include a free [Rape Aggression Defense \(RAD\)](#) basic self-defense program. The Adopt-a-Hall program is another example of tailored student-directed programming that allows residential students the opportunity to discuss security concerns and personal safety issues with a University Police Officer.

The [Rave Guardian](#) personal mobile safety application can be downloaded for Android or Apple devices. This personal safety app allows students to designate a third party to monitor their travel itinerary and also incorporates an emergency quick link and a panic/distress call feature.

Student safety is always paramount – when in doubt, call us. Safety Escort Service is provided, upon request, by stopping by the Police office in Brent Hall, via use of a campus emergency phone, or by calling the UMW Police non-emergency number, 540/654-1025.

Registration programs are available for personal property. We will be more than happy to register your bike or laptop.

Lost and found is administered by University Police. Lost items submitted to lost and found may be claimed by the owner. Items will be held for 60 days and then forwarded to the University Storeroom for inclusion in auctions or sales of property.

Demonstration/Expressive Activity by University Community Members

Purpose: The University of Mary Washington supports the right of individual students, student organizations, faculty, and staff to dissent and to demonstrate providing such activities do not disrupt normal campus operations, obstruct free access to University buildings, or unreasonably infringe upon the rights of others.

Definitions: "Expressive Activity" includes gatherings of one or more members of the University community for the purposes of publicly communicating a grievance or publicly stating a position or cause by spoken word, placard, or action.

For the purpose of implementation, expressive activity shall refer to all demonstrations, protests, marches, rallies, leaflet distribution or other activity involving the public display of expression by a group or multiple groups.

General: All University property is intended primarily for use by students, faculty and staff in their efforts to advance the educational mission of the University. Consistent with that mission, most outdoor areas of campus represent a limited public forum for speech and other expressive activities by members of the University community. The indoor facilities on campus are typically dedicated to particular academic or administrative purposes and may be used for expressive activity only to the extent that such activity does not unreasonably interfere with the intended purpose of the facilities.

All organizers are encouraged to provide advance notice to the University Police prior to commencement of an expressive activity in order to promote the safety and security of all individuals on campus. To be useful, advance notification must include the day, time, and location where the demonstration or other expressive activity is expected to begin as well as the full name and detailed contact information for the primary organizer and/or person responsible for the activity.

Certain areas of campus are reservable by members of the campus community. If students, student organizations, faculty or staff desire to reserve campus facilities to conduct expressive activities, they must submit their requests to the appropriate administrator with sufficient notice to allow for logistical support.

Implementation Procedures: The University of Mary Washington does not permit expression that is unlawful or otherwise prohibited by law. Such expression includes, but is not limited to, defamation, incitement to unlawful conduct, imminent threats of actual violence or harm, obscenity, fighting words, copyright or trademark violation, criminal or civil harassment, sexual harassment, trespass, and false advertising.

In order that individuals and groups engaging in expressive activity not interfere with the operation of the University, state or federal law, or with the rights of others the following provisions shall apply:

- a. Persons or their belongings may not block or otherwise unreasonably interfere with the free flow of vehicular, bicycle, or pedestrian traffic. The right of way on streets and sidewalks must be maintained.
- b. Persons or their belongings may not block or otherwise unreasonably interfere with ingress and egress into and out of campus buildings.
- c. Persons or their belongings shall not obstruct or attempt to force the cancellation of any event or activity sponsored by the University or by any users authorized to use University facilities.
- d. Persons shall not engage in harassing, physically abusive, threatening or intimidating conduct toward any person.
- e. Persons shall comply with the directions of any University official acting in the performance of his or her duty.
- f. Classes or other scheduled activities shall not be unreasonably disrupted.
- g. Use of public address systems and amplified sound must be registered at least 72 hours in advance with the University Police. Use of such equipment may not unreasonably interfere with classes or other scheduled activities.
- h. When an invited speaker is the object of protest, persons may demonstrate and/or distribute leaflets outside the building where the speech is taking place. Persons who wish to enter the building must do so as members of the audience, paying admission fees where applicable, and must give the speaker a respectful hearing. Failure to grant the speaker a respectful hearing may result in the offending persons being asked to leave.
- i. All applicable federal, state, and local laws and regulations (including local ordinances regarding demonstrations on public streets), as well as all applicable University policies.

Campus Free Speech

In order to sustain an environment rich in the exchange of ideas, perspectives, and intellectual

pursuits, the *University of Mary Washington* values the freedom of expression. The University is committed to supporting the exercise of constitutionally-protected speech in all of its facilities and programs, while maintaining a safe atmosphere free from disruption. In keeping with and maintaining these freedoms, the University utilizes established policies and guidelines for the use of its facilities in order to preserve its mission and properties, to secure its operational objectives, and to safeguard the community.

Report an Incident

You may report an incident of disruption of constitutionally-protected speech (including, but not limited to public speaking under the [Expressive Activity by Members of the University Community](#) and [Request to Address the Campus Community](#) policies) in the following ways:

For emergency incidents, call the UMW Police at 540/654-4444 or 4444 from a campus phone.

For non-emergency incidents, you may file a report in the following ways:

Current UMW Students: File a report under the Student Grievance and Complaints procedures in the UMW Student Handbook, page 42.

For full-time Faculty Members: File a report under the [Faculty Grievance Policy and Procedure](#).

For A/P Faculty Members: file a report under the [A/P Grievance Policy and Procedure](#).

Dining Hall Policies

- EagleOne Cards must be presented for admission into the buffets at the Top of the University Center (4th floor) if you are using a meal, flex, or EagleOne to pay for entry.
- Improper use of an EagleOne Card is a violation of the Honor Code; examples are loaning out one's card to another student, using someone else's card, or using regular meals rather than "guest meals" to pay for guests.
- Initial entrance to the buffets must be made through the cashier stations and payment must be received. Anyone coming in through any other entrance without paying will be considered to have committed a theft, will be reported to the UMW Honor Council, and may also be subject to other fines or penalties.
- Abuse of guest privileges will result in immediate disciplinary action. Malicious mischief and/or destructive conduct may result in loss of dining hall privileges and referral to the Office of Student Conduct and Responsibility (OSCAR).

- Food served at the buffets at the Top of the University Center is to be consumed in the dining area. No utensils, serving dishes, or other equipment may be removed from the Resident Dining Area and taken to other areas of the building without permission.
- Dirty dishes should be placed on the carousel along with glasses, napkins and leftover food. Utensils should be placed in the black plastic tubs.
- Exit Only: The exit doors near the dish return area are for exit only, unless there is a fire emergency. Always enter the buffets through the cashier stations, even if you have already paid, eaten food on the terrace, and just want to return your dirty dishes.
- Can you come into the buffets at the Top of the University Center without paying so you can sit with friends who are having a meal? No. Every entry requires payment. To sit with friends while they eat, ask them to bring their food to the lounge area in front of the terrace. You may sit with them there.
- Problems with food or service: If you have any concern about your food or service please ask to see a supervisor or manager so the issue can be addressed immediately.
- Menus: Menus and nutritional information are posted each week at UMW.SodexoMyWay.Com and on the free BITE by Sodexo smart phoneApp (code C6LX2). Special event or theme menus are often not included on the web site as they are special recipe items. Also, changes are sometimes made to the menus depending upon product availability or operational issues. Menus with all of the main features will always be on display at cashier stations. Detailed menus, including a list of any of the major allergens that are contained in the dishes, will be on display at each serving station or on small identifiers in self-service areas. If in doubt, always ask a server or supervisor for assistance.
- Take-Out Policy:
 - Because meals are unlimited on the Anytime Dining plan, students on that plan may not get meals “to go” from the buffets at the Top of the University Center.
 - Guests not on the Anytime plan may use approved reusable containers for takeout orders. Approved containers may be purchased from the dining cashiers for \$7.50 Flex, Cash, EagleOne or Credit. Only these approved containers may be used for take-out orders from the buffets.
 - When you purchase the reusable container you will either get the box or a token to redeem a box on a later visit.
 - Getting Take-Out Only (not dining in)
 - Upon entering the buffets let the cashier know that you wish to get your food “to go”. Present the cashier with your EagleOne Card and the approved take-out box or token. You will be charged one meal for your take-out order.

- The cashier will give you a new, sanitized box for your order regardless of whether you present a take-out box or token. The box you turn in will be properly washed and sanitized for future use.
- Even if you have washed the take-out box at home you must get a fresh, sanitized box. This procedure is required in order to comply with the health department approved practices.
- You will be asked to leave your EagleOne card with the cashier while you get your take-out food. You may pick it up on your way out of the dining room. It is generally accepted practice that getting take-out food will take 10-15 minutes.
- Please do not dine in while you have the take-out box with you. If you want to dine in AND do take-out on the same visit you must pay two meal swipes and follow the below procedure.
 - Eating In & Taking Out on the Same Visit
 - Pay for and enjoy your dine-in meal first. Swipe your card at the cashier.
 - If you brought a take-out box with you, turn it in to the cashier before going in to dine. You will receive a token for the box.
 - When you have finished dining return to the cashier, present your token and request a take-out meal and container. Get your card swiped again for your takeout meal. Your card will be held at the cashier station until you finish getting your take-out meal.
- Shoes and shirts must be worn at all times.
- The Resident Dining Area of the University Center will be open ONLY during posted dining hours and will close one-half hour after the last serving line closes.

Facility Scheduling

Student Activities and Engagement; University Center

Student organizations wanting to [reserve space](#) for on-campus activities may view the policies for room reservation and register at students.umw.edu/studentactivities/room-reservation/ Request must be submitted at least ten (14) business days prior to an event or seven (7) business days prior to a meeting.

Fire Safety

Fire extinguishers, fire alarm systems, exit signs, and other fire prevention and protection equipment are provided in UMW buildings as a safeguard for lives and property. UMW regulations and Virginia law prohibit sounding a false alarm or tampering with fire safety equipment (i.e. detectors,

exit lighting, emergency lighting, sprinkler systems and any associated valves or water controls). In the event of a fire alarm, building residents and guests must leave the building immediately. Certain items are prohibited in UMW buildings due to restrictions by fire safety regulations. UMW reserves the right to limit the amount of paper on walls, ceilings, windows, and doors for the purpose of fire safety. Any fabric hanging from windows must be flame-retardant. Fabric must not hang from walls. Items shall not hang from ceilings, on/from sprinkler and heating piping.

Other fire safety concerns or questions can be addressed by the Office of Emergency Management and Safety. Online resources for [fire safety](http://adminfinance.umw.edu/safety/fire-safety/) can be found at <http://adminfinance.umw.edu/safety/fire-safety/>.

Intellectual Property

UMW encourages the participation of students in research, scholarship, and other creative activities. Within this context, the University's approach to intellectual property is designed to protect the interests and rights of both individuals and the institution. The UMW Board of Visitors policy on intellectual property was originally adopted by the Board in 1987 and applies to all students enrolled in programs of study leading to degrees, as well as to employees and visitors. In general, students shall retain all rights relating to intellectual property developed on their own initiative without substantial use of University facilities and resources. The complete policy is published in the University Faculty Handbook [Section 5.7.1].

Motor Vehicle Policy and Regulations

Parking Management Office, Lee Hall 2nd floor; 540/654-1129

All UMW students bringing a vehicle to campus must have a decal. Students may park in designated campus lots consistent with their decal status. To purchase a parking decal, individuals must comply with UMW policy and procedures, associated state regulations and must be an enrolled student or active employee. After logging into myUMW under helpful links on the UMW homepage the individual should click on banner self-service and select parking management under the personal information tab. Decals will be delivered to UMW campus mailboxes (for residential and commuter students). Before the decal arrives a temporary parking dash pass can be printed from online after purchase.

Commuter Lots: **With the exception of College Avenue**, all students may utilize commuter parking spaces located on campus from 5 p.m. to 7 a.m. Monday-Thursday and Friday from 5 p.m. until 7 a.m. on Monday. It is essential that non-commuting students move their vehicles from commuter lots by the 7 a.m. cut-off so that parking is open and ready for commuting students arriving for 8 a.m. classes and other business.

No Student Parking at Any Time: Inbound and Outbound Double Drive, in George Washington Hall Parking Lot #02, Simpson Library Parking Lot #05, Anderson Center Parking Lot #07, Jefferson lot #27, Framar and Jefferson lot #26, Combs and Bushnell Halls Parking Lot #27, the marked 24/7 Faculty/staff parking spaces located in the Sunken Road Lot #13 and UMW parking Garage Top Level (04) and spaces specifically reserved for Visitors and Residence Life members.

Bicycle Policy

All bicycles must be registered with UMW Police. Students may stop by one of the bike registration events on campus during the beginning of the semester or visit UMW Police, located at Brent House.

All bikes shall be removed from UMW property by May 30, 2018, unless arrangements have been made to leave the bike on campus for the summer. Arrangements will only be made for bikes registered and displaying a UMW bike decal.

Bicycles cannot be parked on any handicap ramps or impede exit or entrance to or from any building. Bicycles deemed by Public Safety to be in violation of this requirement will be removed and owner contacted via the bicycle registration information.

Network and Computer Use

UMW provides services that allow for the appropriate use of technology in the pursuit of academic achievement and personal use. Please review the following:

1. [Network and Computer Use Policy](#)
2. Users must not illegally download or distribute, including via peer-to-peer file sharing, any copyrighted material.

IT Security: UMW regards security of its information resources as an institutional priority and maintains an information technologies security program overseen by the Information Security Officer. Students with questions about IT security can view additional information at the UMW [IT Security website](#) or by contacting the IT Help Desk at 540/654-2255.

Protecting Your Credentials: UMW will NEVER ask you to confirm your credentials or your personal information via email. You should never reply to such a message. Here are some tips to protect your account:

- Immediately delete any message asking for your credentials or any other personal information. Do NOT respond to these messages!
- If you replied to such messages or believe your account has been compromised, change your password immediately.
- If you need assistance in accessing your account, and/or in correcting a problem, please contact the [IT Help Desk](#) at helpdesk@umw.edu or at 540-654-2255.
- UMW students are expected to respect all property, whether it belongs to the University, other members of the UMW community, or members of surrounding communities. Damage to, or unauthorized relocation of property is prohibited, as is misuse of UMW's computers, telephones, and networks.

Accessing the University Network with Your Computer: In order to protect the wireless network from misuse or viruses, students are required to use **Aruba Clear Pass** to access the Internet or network in all non-residential buildings. Once authentication is complete, your computer will be assigned rights based on your role.

Computer Use in the Residence Halls: All students in the residence halls still receive free ethernet internet access, and now wireless access as well. Premium services with more bandwidth are available from the Apogee Web site. [Click here](#) to request premium services from Apogee. The use of non-Apogee routers or the downloading of illegal content may result in termination of one's internet service.

Violations: Violations or suspected violations of the policies and principles enumerated above can be reported promptly to the IT Help Desk (helpdesk@umw.edu or 540/654-2255), the Information Security Officer (540-654-2152) or, in the case of spam or email abuse, (itabuse@umw.edu). Students receiving DMCA violations will be contacted by the Information Security Officer along with the Director of Student Conduct and Responsibility (OSCAR).

Official Communications

To have a question answered by phone, consult the [UMW Directory](#) to search by name or department. From a cell or off-campus phone, dial area code/prefix-extension, unless otherwise noted. For example, UMW extension 5555 becomes 540/654-5555. Official UMW communication may be done through email or by UMW mail services.

Parental Notification

The Family Educational Rights and Privacy Act (FERPA) allows for universities to notify certain family members if their student is found responsible for violating the institution's alcohol or drug policies, or state laws regarding alcohol or drug use.

At the University of Mary Washington, a parent or guardian of any student under the age of 21 will be notified under the following conditions:

1. If the student is found responsible for violating the University's policy prohibiting alcohol intoxication, whether or not the student was arrested or transported to the hospital.
2. If the student is found responsible for a second or subsequent violation of the University's Alcohol Policy, regardless of the violation's seriousness.
3. If the student is found responsible for any violation of the University's Drug Policy.

A letter and/or phone call from the Dean of Student Life or designee will inform the parent/guardian. Typically, notification in these conditions does not occur until after the incident has been adjudicated, and the student's right to appeal the outcome has expired.

Posting Notices

Student Activities and Engagement; University Center; 540/654-1061

There are several important guidelines that every organization must follow to help maintain a clean campus and to give equal access to available publicity space.

Flyer Policy:

- All materials must include a phone number, and the first name of the contact person.
- Flyers cannot include any material that is illegal or a violation of University policies, including alcohol and drug-related content.
- Publicity materials may only be displayed on public bulletin boards, and not on windows, doors, or other surfaces for safety/facility reasons.

Tabling: Student organizations may reserve tables to place on Campus Walk or in the Nest. Guidelines for tabling include:

- No outside solicitation is allowed (i.e., outside vendor sales, credit card applications, etc.). Outside organizations may contact the Procurement Office with further questions.
- Pickup and return of table is responsibility of the student organization.
- Dirty tables will result in a \$25 cleaning fee to student organizations account.
- Refrain from placing staff at entrances of buildings, or in the middle of the Campus Walk for safety reasons.

Chalking: Student organizations may use chalk as a means of publicity, but chalking is limited to **only** sidewalks. Guidelines for chalking include:

- Chalk is not allowed on the side of buildings. Student organizations will be charged a cleaning fee in this situations, and will risk losing other SAE privileges.
- Student organizations may be asked to clean up their chalk if large institutional events are taking place.
- Chalk message cannot include any obscene or illegal information, including: vulgar and alcoholic/drug related content

Residence Halls: All items to be posted in the residence halls must be brought to the Office of Residence Life in Marye House for approval. Residence Life staff will post your materials in residence hall areas. Be sure to submit these at least two weeks ahead of the event so they are displayed in time. Materials not posted on an approved bulletin board in the residence halls will be removed. Do not enter a residence hall with the purpose of posting materials yourself. When bringing copies to Residence Life, provide no more than 95 copies. Residence Life will remove outdated fliers from residence hall areas.

Safety and Security Cameras

A critical component of a comprehensive security plan is the utilization of a safety and security camera system. The surveillance of public areas on the UMW campus is intended to deter crime and assist in protecting the safety and property of the UMW community while respecting and preserving individual privacy.

Searches, Seizures and Event Security

1. If University authorities have reasonable cause to believe that a University rule is being violated in a manner that prejudices the proper and efficient operation of the University or the welfare of the student body generally, University authorities may inspect the student's room for the purpose of investigating the violation. If there is reasonable ground for belief that the violation is taking place, and if the search is necessary for the investigation of the violation and enforcement of the rule, and if action against the offender is limited to administrative procedures as distinguished from criminal proceedings, then no search warrant is required. The Dean of Student Life, Assistant Dean of Residence Life and Housing, or the Associate or Assistant Director of Residence Life and Housing may participate in an administrative search. The University Police may also observe an administrative search.
2. If the search is to be made for the purpose of a police investigation of a violation of criminal law, a search warrant or consent must be obtained. There are situations in which searches can be made of private residences without search warrants. Examples include: search of the area under immediate control of a person being arrested; plain view seizure of an illegal item; invasion of a resident's room in hot pursuit; and search made when it is not reasonably possible to get a search warrant.

3. Evidence observed by University personnel during search and seizure may be used in court during criminal prosecution, as well as in a University disciplinary proceeding.

Security at Events: In an effort to protect the University community and its guests, the following policy concerning the electronic searching of attendees at certain special events on the campus shall be followed. Searches will not routinely be conducted at traditional University events scheduled for enrolled students only, where the general public is not invited; however, security must be present whenever money is being collected.

Search Criteria: Searches will be conducted at any event where one or a combination of the following conditions exists:

1. Open to the general public.
2. An admission charge is collected.
3. Entertainer contract specifies that a search be conducted.
4. A person with dignitary protective coverage is in attendance.
5. Police have received adverse intelligence information concerning the group performing or activity to be engaged in on campus.

Snow Emergency

Facilities Services; 540/654-1047

Virginia winters can bring inclement weather which results in difficult pedestrian and vehicular travel. In order to best meet the needs of our campus community, priorities and regulations have been established for snow and ice management. Safety is our first priority when allocating resources. With many miles of campus walks and roads, it typically takes Facilities Services staff several days to address main priorities following a winter storm. If you notice delayed response times and routine tasks not being accomplished, it is because snow and ice management has taken a higher priority.

Please exercise personal caution when walking or driving in winter weather conditions. Hazardous areas may develop or persist even after removal efforts or chemical treatment of surfaces. There is no substitute for good judgment.

We realize the importance of our students and faculty/staff arriving safely at their destination. UMW faculty/staff and students are encouraged to wear proper footwear for snowy and icy conditions, and to plan on taking extra time and alternate routes to reach destinations.

Solicitation

Residence halls may not be used as sales rooms or for storing merchandise. Door-to-door sales in residence halls are not permitted without the permission of the Assistant Dean of Residence Life and Housing or his or her designee.

- I. Registered student organizations must receive prior approval from the SAE office for any sales activity.
 - a. Tables may be reserved in the University Center second floor. Reservations are taken by the staff at the Information Desk.
 - b. Tables may be reserved outside of Lee Hall on a first-come/first served basis. Reservations require the completion of an Event Application Form which may be found on the SAE website. The information will be forwarded to the Events Office for final approval.
 - c. Tables may be reserved for the second floor entrance area (off of Ball Circle) on a first-come/first served basis. (see “b.” above)
- II. Individual students seeking to sell products, food, etc. must following the off-campus vendor guidelines (below).
- III. Off-Campus Vendors may reserve space through the UMW Bookstore. The retail operations manager will complete the space reservation request.
- IV. Off-Campus groups wishing to distribute information may reserve space through the Events Office, 307 GW Hall. They will be assigned a specific area and will be directed not to approach students, but to allow students to express interest by approaching them.

Student Organizations

Student Activities and Engagement (SAE); University Center; 540/654-1061

SAE oversees a myriad of student activities on campus. Its staff members assist students as they propose, develop, and execute plans for events and programming. They work with student organizations in the planning of campus-wide concerts and/or shows and traditional events. SAE collaborates with students, faculty, and staff to promote programs and opportunities for campus entertainment, and it assists students in developing interpersonal, organizational, leadership, and citizenship skills.

The University of Mary Washington offers more than 140 clubs and organizations for students. For a complete listing, visit the [Office of Student Activities and Engagement](http://students.umw.edu/studentactivities/list/) at <http://students.umw.edu/studentactivities/list/> . If you do not see something you like, contact SAE regarding the process to begin your very own student club or organization.

Student organizations wanting to reserve space for on-campus activities may view the policies for room reservation and register [here](#).

Town and Gown

The [Town and Gown Committee](#) enhances communication between the University and the community and works collaboratively to solve issues and concerns. Currently, the Committee has approximately 25 members—heads of neighborhood associations, city council members, city staff, UMW administrators, student leaders, and representatives from both city and University police. The committee meets two times each year, alternating its meeting site between University and city facilities. If you have issues or concerns you would like the committee to consider, contact the [Office of the Vice President for Student Affairs](#) (310 GW Hall; 540/654-1062).

Use of the UMW Name

Organizations wishing to create documents using the UMW name, logo, and seal for use off campus must follow the guidelines outlined in the [Brand Standards and Visual Identity Toolkit](#). These guidelines require that the Primary Logo (University of Mary Washington text accompanied by the column design and tagline) be used. A high resolution digital file of the logo can be downloaded using your NetID and password [here](#).

- Any organization wishing to use the UMW name for publications that will be distributed off campus must take a final draft to University Relations and allow at least one week for review, revision, and/or approval of your document.
- The official University Seal is used in selected applications as determined exclusively by the President or a designated representative. Any organization wishing to use the Seal must submit its request for approval in writing to the Office of the President.
- All requests must be made to the University Relations. Any questions regarding these regulations should also be made to this office (540/654-1934 or anewell@umw.edu).
- University Relations retains the right to review proofs prior to final production of merchandise. The University also reserves the right to rescind approval at any time for any reason.

Virginia Freedom of Information Act

University Relations and Communications; 540/654-1055

All requests for University-related information made under the provisions of the Virginia [Freedom of Information Act \(FOIA\)](#) must be directed to the Office of University Relations and Communications. Do this by completing a FOIA request form, which can be found online at advancement.umw.edu/foia. Under FOIA, UMW may charge for copying and for search time. For

more information, including costs, contact the Office of University Relations and Communications, which is located in the Eagle Village office building.

Residence Life and Housing

Marye House; 540/654-1058; reslife@umw.edu

On-Campus Living Requirement

The University of Mary Washington believes that living on campus is an integral part of a student's complete educational experience; therefore, all full-time students who are admitted as residential students in their first year are required to live on campus for two full academic years.

Exceptions may be made for students who:

- are married

- are 23 years of age or older before the first day of the fall semester
- have dependent children living with them
- are living with a parent, grandparent, or legal guardian within 30 miles of UMW
- have a University-endorsed internship, clinical placement, or are student teaching outside the Fredericksburg area (approved by UMW Academic Affairs)

For reasons other than those listed, the applicant must be very specific about the significant, uncontrollable, and unforeseen extenuating circumstances that require an exception to be granted.

In order to be approved to live off-campus, students must submit a request detailing the situation to the Office of Residence Life and complete their application (see <http://www.umw.edu/residencelife/on-campus/housing-procedures/current-students-terminationof-housing-agreement/>). Students should not rely on any information other than a written approval from the UMW Office of Residence Life in making other living arrangements. The burden is on the student to provide clear and convincing information to prove they fall within the exceptions stated above. Students within the first two years of their Agreement should only ask to be released if planning to live with a parent or legal guardian within 30 miles of UMW.

Living Learning Communities (LLC):

First-year (new "freshmen") students will engage in Living-Learning Communities (LLCs) by living together in the same residence hall based on the First Year Seminar (FSEM) course in which they are enrolled. The positive effect of learning communities on students' academic success is well documented with significant gains observed in academic performance. Students who live together and share meaningful academic experiences form friendships and boost out-of-the-classroom learning. Because of this substantial benefit, first year students will live with or in close proximity to their LLC in the residence halls.

Residence Life - Standards and Procedures

Abandoned Personal Property: Any personal property left in the residence halls 24 hours after check-out will be logged and removed from the residence hall room. Students will be contact via email and will be given 14 days to retrieve their belongings. After 14 days, any personal property will become property of the University and shall be disposed of or repurposed at the discretion of personnel within the Office of Residence Life and Housing. Students will be held responsible for the labor costs to remove abandoned personal property from the residence halls.

Beds: Russell Hall rooms have standard twin (75-inches long) mattresses, and all other residence halls have extra-long twin (80-inches long) mattresses. All rooms, with the exception of Russell Hall, are furnished with bed frames that can be bunked or lofted. Personal lofts (those not provided

by the University) are prohibited. Information regarding bed modifications please contact the [Office of Residence Life](#).

Break housing: Students are permitted to remain in campus housing during Fall Break. Limited housing is available in some traditional housing during Thanksgiving and Spring Break. Students requiring housing for special circumstances must apply for it with the Office of Residence Life by the advertised application due date. Students approved for break housing will be charged a \$30 per night rental fee. Eagle Landing and the UMW Apartments do not close during break periods, however residents of these buildings still need to apply to remain during those time periods so the University is aware of their presence in case of an emergency.

Cable television, computers, and technology: Residence hall rooms have Ethernet data ports and wireless access that connects to the internet. In addition, cable television is available in on-campus residences. Residence hall computer and cable service is provided by Apogee Inc. Assistance is available 24/7 at [MyResNet.com](#). Phone 1-877-478-8808, Chat @ MyResNet.com, Text “ResNet” to 84700. If you are not satisfied with Apogee’s resolution to your support issue, please contact the UMW IT Help Desk for further investigation and follow up.

Check-out: Residents must remove all their belongings from on-campus residences 24 hours after their last exam or no later than the posted closing time, whichever is earlier. Graduating seniors may occupy their rooms until 10 a.m. on the day after graduation.

Commercial enterprises: No business may be conducted in the residence halls without written approval from the Assistant Dean of Residence Life and Housing or his or her designee. The presence of any promoter, vendor, or unauthorized visitor should be reported to Residence Life staff and/or University Police.

Custodial areas: Custodial service is provided only for residential common areas open to everyone. Cleaning of student rooms, suite bathrooms, and apartments is the responsibility of the individual occupants who use those areas. Charges will be assessed for inordinate cleaning of public areas.

Damage assessment: Students are responsible for UMW property in their rooms and elsewhere in the residence halls. Charges may be assessed to an individual who is found responsible for property damage or a situation that requires excessive cleaning. If it cannot be determined who is responsible for damages in a common area, students of the community can be held responsible for the damage charges.

Dining: All residential students are required to have a meal plan. Students who fail to select a meal plan when submitting their Housing Agreement will automatically receive an Eagle Dining plan. For more information on UMW Dining Services, visit UMW.SodexoMyWay.com.

Entrance to student rooms: UMW reserves the right for its authorized representatives to enter the premises for housekeeping purposes; repair and maintenance; to determine occupancy and vacancies; health or safety reasons; to protect life, limb, or property; and to assure compliance with state, federal, or UMW regulations. UMW reserves the right to enter student rooms during breaks for maintenance, housekeeping, safety purposes, and to determine compliance with closing procedures.

Fire safety: Fire extinguishers, fire alarm systems, exit signs, and other fire prevention and protection equipment are provided in UMW buildings as a safeguard for lives and property. UMW regulations and Virginia law prohibit sounding a false alarm or tampering with fire safety equipment. Students found in violation of UMW policies prohibiting sounding of a false alarm or tampering with fire safety equipment in residence halls are subject to permanent removal from residential housing, and additional sanctions or criminal penalties may apply.

Regular fire drills are held under the direction of Residence Life staff in conjunction with the Campus Fire Safety Officer. Residents **MUST** leave a building when a fire alarm sounds. Certain items are listed under “Prohibited Items” due to restrictions under fire safety regulations. UMW reserves the right to limit the amount of paper on walls, ceilings, windows, and doors for the purpose of fire safety. Any fabric hanging from windows must be flame-retardant. Fabric must not hang from walls. Items shall not hang from ceilings, or from sprinkler and heating piping.

Health and safety inspections will be conducted at least once every semester to determine compliance with policies. Fire Safety Inspections of at least 20% of the units in all residence halls will be conducted annually by the Virginia State Fire Marshal’s Office. Other fire safety concerns or questions can be addressed by the Office of Emergency Management and Safety. Online resources can be found at <http://adminfinance.umw.edu/safety/fire-safety/>.

Decorations: Residents may choose to use decorations for holidays and events or to make residence halls feel more like home. Please abide by the following guidelines for decorating.

1. Absolutely no indoor pyrotechnics, fog machines, or flame producing items – both in and out of doors. This includes tiki torches!
2. Natural cut trees are prohibited in the residence hall rooms and in areas of public assembly area (where 50 or more people gather for a purpose).
3. Cornstalks, leaves, and hay are prohibited for use as decorations due to their combustible nature. Other natural materials such as pumpkins, squash, and gourds are permitted.
4. Artificial trees need care in selection and handling. Plastic trees can burn. Use the type clearly marked as made from slow burning materials. Those with built-in electrical systems

should carry the Underwriter's label (UL). Metal trees may be a shock hazard. Use only indirect lighting with them. If lighting strings are placed on a metal tree, the tree may become electrically charged. Never use electric lights on a metal tree.

5. Use noncombustible decorating materials (metal, glass, etc.). Untreated cotton batting, flock and paper ignite easily and may burn intensely. Use only flame-retardant or noncombustible materials for costumes and decorations. Crepe paper and streamers used for decorations must be labeled as "fire-proof" or "flame-proof." Be sure to read the label before you buy the material. Plastic bags and plastic sheeting may not be used for decorating – this material is very combustible!
6. Keep exit corridors and doors free of decorations. Their use in these areas could cause confusion and make exiting dangerous in emergency situations.
7. Cover no more than 10% of any available wall space with decorations. Do not block or cover fire alarm pull stations, emergency lights, exit lights, hose and extinguisher cabinets, or any part of the sprinkler system. Regular corridor lighting must not be completely covered. Keep decorations at least ten feet from exit doors.
8. Items shall not hang from ceilings, on/from heating and sprinkler system piping. There must be 24-inch clearance from ceilings and 18-inch clearance on sprinkler heads.
9. Corridors must not be "wall-papered" with combustible materials. Combustible decorations are not permitted in stairwells.
10. Do not string decorations down corridor ceilings. They can act as fuses should they become ignited.
11. The use of lighted candles or any open flame device is not permitted in residence halls. Safe alternatives include flashlights and battery operated candles.
12. Electrical decorations should be UL listed. Equipment should be checked for frayed cords, loose connections and broken sockets. They should be unplugged when you leave your room or before you go to sleep.
13. Make sure all indoor and outdoor holiday lights are UL listed. In residence halls, only indoor "cool lighting" is permitted. The number of strands of lighting connected together is limited to the manufacturer's recommendations (no more than 2-3 strands). These should not be strung in any fashion where the cords can become frayed, such as being wrapped where the cords are trapped between the metal bedding frame and the mattress.
14. If an electrical appliance smokes or has an unusual smell, unplug it immediately and have it serviced.
15. Replace any electrical cord that is cracked or frayed.

Furnishings: Furnishings supplied in a residence hall room must remain in the assigned room; the moving of furniture into another room in a suite is prohibited. No furnishings located in residence hall common areas may be removed or moved into student rooms. A service charge of \$50 per item to return furniture will be assessed. Stacking furniture or placing a bed on top of other furnishings constitutes a safety violation.

Limited additional furniture is permitted. Residents are held responsible for any damage caused by the moving of furniture, either in the apartment or common hallways. Inflatable furniture, bean

bag chairs, exercise (i.e., treadmills) and recreational equipment (i.e., ping pong tables) are not permitted. Upholstered furniture must be fire retardant. Look for one or more of these fire retardant standards on identification tags:

- NFPA 701
- Class 1 of the U.S. Department of Commerce Commercial Standard 1915330 · California Flammability Bulletin 117- ASTM E 84
- Upholstered Furniture Action Council (UFAC) (Gold Tag)

All upholstered furniture must be in good condition. Residence Life reserves the right to have a student remove any piece of furniture that presents a fire, health, or safety hazard.

Guests: Residents are responsible for guest conduct in the residence halls and may be held accountable for any misconduct. Guests should be escorted at all times.

Permission to have overnight guests is contingent upon the prior approval of all occupants of the living space and in conjunction with each residence hall's visitation policy. There is no overnight visitation, except for immediate relatives, in first-year residences during the fall semester. No one guest may stay in a building more than three consecutive nights or more than 14 nights each semester.

Overnight guests are prohibited during break periods and other times when the halls are not officially open. Guests who visit Eagle Landing must be signed in at the front desk during the hours of midnight and 8am.

Community Councils: All residential students are members of their residence hall Community Council. All residence halls have elected officials to discuss issues facing the building, develop programming, and address residential concerns.

Heating and Cooling: Centralized heating is controlled by energy efficient sensors that respond appropriately to outside temperature. Buildings with centralized cooling systems are controlled in the same fashion.

Housing and Dining Services Agreement: In order to operate the residence hall and dining services at the lowest possible rate for the students, the University of Mary Washington must provide these services on an Agreement basis for the full academic year (or for the spring semester only for students entering for that term).

The University of Mary Washington uses an electronic application process that allows students to execute their housing agreement online. *Five days after the official Housing and Dining Services Agreement is submitted electronically to the University of Mary Washington, it becomes a **binding**

Agreement between the student and the University. Students who submit the Agreement will not be permitted to cancel the Agreement unless they meet the termination terms of the Agreement.

Keys: Upon checking-in, each student is given a key to his/her residence. If a key becomes lost or is not returned by the designated check-out time, locks will be changed at the student's expense. If replacement of a key or lock is necessary, it should be immediately reported to the University Police at Brent House or by calling 540/654-1025. The cost for replacement keys or locks will be assessed to the student's account. Students are prohibited from placing their own locks on individual doors. Lost room keys must be reported to the University Police located in Brent House as well as to your resident assistant. You will be charged \$125.00 for the replacement key and lock change.

Lounges: Lounges are provided for the use of all residents of a building. Residing and/or sleeping in a lounge is prohibited. Organizations may not reserve floor study lounges. The main lounge or parlor within a building, seminar rooms in the Randolph/Mason Link, and the Eagle Landing Rotunda and conference room may be reserved for use by contacting the Office of Residence Life.

Microwave ovens: Microwaves are permitted only in the kitchen areas of residence halls, UMW Apartments, and Eagle Landing. Because of electrical wiring and to ensure fire safety, microwaves are prohibited in student rooms and in non-kitchen areas.

Noise: Residents are responsible for ensuring that their behavior does not violate another's right to sleep or study. Excessive noise in and around residence-hall areas is prohibited. Quiet hours are generally 10 p.m. to 8 a.m., nightly. Sounds are not to be heard outside rooms during these hours. Each floor or hall may vote to extend these hours. At all times, "courtesy hours" are in effect and residents should comply with requests from other residents and/or staff members to lower their volume. Quiet hours may be extended by hall staff before and during examination periods and/or as necessary.

Items producing sound should be kept on low volume at all times. Stereo speakers may not be placed on window sills and/or directed outside. Because of safety and noise regulations, sports are not permitted to be played in residence halls. Musical instruments are not to be played in residence halls unless the player uses headphones.

Personal property insurance: Students are responsible for the care and safety of their own personal property. UMW cannot be held liable for loss or damage to personal property. Students are **strongly** urged to confirm whether their personal property is covered under their parents' homeowners insurance and make arrangements for additional renter's insurance coverage if necessary.

Pets: Animals – living or dead – except approved assistance animals, service animals in training as part of a specific University-sponsored program, and fish kept as pets in a 10-gallon or smaller

aquarium are not allowed in student residences. Only one 10-gallon container per room or apartment is permitted. Residents found in violation will be fined \$150 and will be given 48 hours to remove the animal from the premises. If the animal is not removed, the University will turn it over to Animal Control, file conduct charges, and add a fine of \$50 per day for every day over two.

Prohibited Items: partial list – in addition to other policies

- alcohol (except in spaces where residents are 21 or older)
- animals (live or dead) except approved service animals, assistance animals in training as part of a specific University-sponsored program, and fish kept as pets in a 10-gallon or smaller aquarium
- candles (with or without wicks), candle/wax melt/warmers, and incense
- curtains and draperies (unless with a tag displaying fire-retardant information or treated with fire-retardant spray. The spray container and receipt must be kept on file to provide as proof when needed)
- decorations covering more than 10 percent of any wall
- devices used to promote irresponsible drinking (beer bong, funnels, and similar devices typically used to promote excessive alcohol consumption)
- door decorations (fliers, posters, pictures displayed on either side of a door) other than the name tag provided by the Residence Life staff
- drugs and/or controlled substances that are illegal, and any drug paraphernalia (including electronic smoking devices used for drug consumption)
- electrical cooking appliances (including microwaves, toaster ovens) in residence hall rooms or non-kitchen areas; all electrical cooking appliances without an automatic shut-off such as coffee/tea pot; any electrical appliance which is not UL approved; any electrical appliances with an open heating element (including but not limited to potpourri burners, hot plates, crock pots, and indoor grills)
- electrical cords around doorways or under carpets
- electrical items left plugged into bathroom outlets such as curling irons and hairdryers
- explosives, fireworks, pyrotechnic devices, or flame-producing materials
- extension cords (unless multiple outlet-type with built-in fuses and/or surge protector)
- fabric hanging on walls (including tapestries). Combustible items such as flags may be displayed if framed under glass or acrylic/Plexiglas. The 10 percent limitation on wall coverings would still apply.
- firearms, projectile firing devices, and other weapons, including but not limited to air rifles, pellet guns, or other weapons including realistic facsimiles; ammunition; switchblades; knives with blades over 5 inches; biological or chemical weapons such as mace and tear gas; hazardous materials or chemicals (examples: gasoline, lighter fluid, or other flammable liquids); or items which may pose a danger to the UMW community
- halogen lamps, lava lamps, and incandescent bulbs. Permitted lamps are those using low heat emitting light bulbs, compact fluorescent lighting (CFL), or light emitting diode (LED) lighting.
- Hookahs

- hoverboards
- items obstructing egress/exit paths in rooms or hallways
- items hanging from ceilings, on/from heating system, or sprinkler system piping
- mopeds or other fuel-powered or motorized vehicles. Bicycles may be stored in rooms as long as a clear exit emergency path is evident. Bicycles must be registered with University Police and should be stored in bike racks/storage areas when stored outside.
- outdoor grills near the residence halls or on residence balconies
- outside antenna/satellite dish
- overstuffed or inflatable furniture, waterbeds, and personal lofts
- previously live cut trees, cornstalks, leaves, and hay
- refrigerators larger than 4.5 cubic feet. Only one is permitted in a single, double, and triple room; quads may have two mini-refrigerators. Fridges must be plugged directly into the wall. Eagle Landing and UMW Apartments are not permitted to have additional refrigerators beyond the large one provided by the University in the kitchen.
- space heaters
- removal of University-issued room furniture or relocation of any University-issued residential furniture
- signs considered to be University, government, or another's property
- wireless internet routers
- Smoking prohibited within 50' from buildings

Reassignment/Consolidation: The University reserves the right to change room assignments at its discretion, including, but not limited to, the right to reassign any resident of the University Apartments or Eagle Landing to traditional on-campus housing in the event of any violation of residential policies or because of other University policies or procedures. The University also reserves the right to reassign students for the purpose of consolidating residents within similar housing accommodations.

Refrigerators: Personally-owned refrigerators that are 2 amps or 4.5-cubic-feet or less in size are permitted, providing they are UL approved. Only one refrigerator is permitted in a double or triple room and two are permitted in a quad. Locked refrigerators are not permitted unless approved by the Assistant Dean of Residence Life and Housing or his or her designee. Only the full-sized refrigerator provided in each apartment kitchen is allowed in the UMW Apartments and Eagle Landing; no additional refrigerators are permitted.

Room Changes: Changes in room assignment must have prior approval from the Office of Residence Life and Housing. All students involved in an unauthorized room change will be assessed a \$50 fine and are subject to disciplinary action. Once approved, unless otherwise detailed, residents must remove all belongings from the room, turn in room keys, and check-out of their room. When moving into a new room, students must follow directions to obtain their new key.

Room Condition: Each resident is responsible for leaving his or her room space in the same or better condition than that in which it was found upon moving in, as stated on the “Room Condition Inventory” (RCI) provided upon moving-in. Charges will be assessed for repainting and refinishing; repair or replacement of damaged or missing furnishings and equipment; special cleaning made necessary by misuse of facilities; removal of any extra furniture, abandoned property, or trash/item removal; or other unusual conditions requiring correction. Residents are responsible for notifying Residence Life staff immediately upon discovering any deteriorated or altered room conditions. Work orders may be filed by residents at umw.edu/students/living. Occupants are expected to keep their rooms clean and orderly at all times. Trash is to be placed in appropriate receptacles. Damage assessments will be conducted upon move-out, and students will be charged for any damages not previously indicated on the RCI.

Storage: Storage space is not available for personal belongings or for the removal of University furnishings. No student may store anything in a residence hall storage closet/room. Anything a student brings to campus must fit inside of his/her room.

Unauthorized areas: Students are not permitted in maintenance areas, boiler rooms, roofs, storage areas, custodial areas, or in rooms or on UMW Apartment balconies without permission.

Additional UMW Apartment and Eagle Landing Notes:

Balconies and porches (UMW Apartments only): All apartments are equipped with either a balcony or porch area. For reasons of safety, no more than four people are permitted on a balcony at any one time. No smoking is allowed on the apartment balconies.

Additionally, balconies and porches are to be kept orderly at all times and are not to be used as storage areas for personal belongings, such as laundry or trash. Grills, hammocks, futons, couches, bicycles, mattresses, and swings are not permitted on the balconies or porches. Residents shall not hang or display any flags, banners, signs, items of clothing, or household linens outside apartments from windows, doors, railings and porch roofs, or place such items on balconies and porches.

No University-provided furniture is permitted to be moved from the apartment to the balcony/porch.

Cooking: Care needs to be taken at all times while cooking. Cooking materials should not be left unattended or left on when the apartment is unoccupied.

Married student housing (UMW Apartments only): If a one bedroom or efficiency apartment is available, two currently enrolled full-time married students may elect to be assigned there during housing selection. Should an apartment become available during the year, a married couple on a waiting list may be housed in a one bedroom or efficiency apartment. Documentation of marriage is required. Children are not permitted to reside in on-campus housing.

The Student Conduct System

Office of Student Conduct and Responsibility (OSCAR), Marye House; 540/654-1660

The Office of Student Conduct and Responsibility (OSCAR) is managed by the Director of Student Conduct and Responsibility and by the Associate Coordinator of Student Conduct. Additionally, professional members of the Residence Life staff, the Director of Transfer and Off-Campus Student Services, and [elected student members of the Student Conduct Review Board \(SCRB\)](#) are integral to its mission. (The [Honor Council](#) is a separate entity, and is not a part of the conduct system.)

Mission Statement:

The Office of Student Conduct and Responsibility (OSCAR) supports the Division of Student Affairs' overarching mission to promote student success, learning, and personal wellness. In doing so, it also supports the University's overall mission, which is to provide students with a superior education that inspires and enables them to make positive changes in the world.

OSCAR supports these missions by upholding a Code of Conduct, a set of guidelines for how UMW students are to conduct themselves, and what conduct they should expect from each other. These guidelines, based on principles of student development, are intended to facilitate all students' learning and personal growth within the University and beyond, and to create a community of integrity. Students' success, ability to learn, and wellness should not be negatively impacted by the conduct of other students, or by their own conduct. Students whose actions are inconsistent with the Code of Conduct are held accountable through a fair and compassionate process in which education is a primary value. OSCAR upholds an environment in which personal growth is facilitated, citizenship is promoted, and sensitivity to others within the community is balanced against each student's need for personal expression. Related to their conduct, UMW students have both rights and responsibilities, and OSCAR assists students in understanding how those rights and responsibilities benefit all members of the UMW community, including themselves.

Because student behavior, character development, and ethics go hand in hand, the Office of Student Conduct and Responsibility supports programs that raise students' awareness of ethical issues – from individual and community-related to global – that are present in contemporary society. It also may assist students to resolve conflicts by using informal alternatives to the conduct process – for example, by having conversations with students about behavioral issues.

Adjudication:

The Code of Conduct (see below) is a set of guidelines for how University of Mary Washington students are expected to conduct themselves. Although it is based partly on federal and state laws, its intention is to promote student success, learning and personal wellness. For example, students who create a late-night disturbance in their residence halls can have a negative impact on other students' ability to do well on a test the following day. Therefore, the Code of Conduct prohibits violating quiet or courtesy hours in the residence halls, and disorderly conduct. Also, students who use illegal drugs, in addition to possibly having a negative impact on their peers, may be compromising their own safety, health, and potential for academic success. Therefore, the Code of Conduct prohibits the possession and use of illegal drugs.

There are three levels of Code of Conduct violations.

- 1) Alleged Level I violations are adjudicated by the Director of the Office of Student Conduct and Responsibility (OSCAR), or by the Associate Coordinator of Student Conduct.
- 2) Alleged Level II violations are adjudicated by Residence Life Area Coordinators.
- 3) Alleged Level III violations are adjudicated by the Student Conduct Review Board (SCR).

If, in the same incident, a student is charged with multiple Code of Conduct violations corresponding to both Levels II and III, the alleged violations will be adjudicated by a Residence Life Area Coordinator. If, in the same incident, a student is charged with multiple Code of Conduct Violations corresponding to either Levels I and II, or Levels I and III, the alleged violations will be adjudicated by the Director of OSCAR, or by the Associate Coordinator of Student Conduct. At his or her discretion, the Director of OSCAR or the Associate Coordinator of Student Conduct may adjudicate *any* alleged Level II or Level III violation, even if there is no alleged Level I violation. This may happen if the student has had prior violations, or if the reported conduct is of a more serious nature, for example. This also may happen if the incident did not occur in a residence hall.

Any Level I, Level II, or Level III incident that involves a commuter student, or that is reported to have occurred off campus, may be adjudicated by the Director of Transfer and Off-Campus Student Services.

In any conduct hearing related to alleged violations of the Code of Conduct, students are guaranteed specific rights throughout the process, and they also have specific responsibilities. These are detailed below. The purpose of conduct hearings is not to determine whether or not a student violated the law, but whether or not a student violated the Code of Conduct.

Alleged violations of individual or community rights may be reported and/or documented by any member of the community. Incident reports are completed and routed to the appropriate disciplinary process as outlined elsewhere in this section. A documentation template is available online at

https://cm.maxient.com/reportingform.php?UnivofMaryWashington&layout_id=10. Each disciplinary situation is handled on a case-by-case basis. Students will be notified of their charges prior to their being asked to attend a hearing. The standard of evidence used in all Code of Conduct hearings is preponderance of evidence (see “Student Conduct Process Rights and Responsibilities” below).

UMW may adjudicate all conduct violations by enrolled students or by degree-seeking students, regardless of their enrollment status, that occur on campus, at a UMW-sponsored event, or in UMW-leased or controlled properties.

Violations of civil or criminal law are subject to University adjudication in cases where the interests of the University may be affected (as judged by proper authorities to be the case). Participants in this decision may include the Director of Student Conduct and Responsibility, the Dean of Student Life, and/or the Vice President for Student Affairs (or designee).

OSCAR is committed to assisting accused students throughout the conduct process, and students in need of further information related to the charges, or to the conduct process in general, are invited to meet with the Director or the Associate Coordinator.

Adjudication of Off-Campus Conduct:

Students are expected to adhere to the Code of Conduct both on and off campus. The conduct of UMW students away from campus has an impact not just on those students involved, but also on UMW peers and on members of the greater Fredericksburg community. Holding students accountable, through the conduct system, for off-campus conduct (particularly when it results in arrest or citation) is a standard process in higher education resulting in positive learning outcomes for students and favorable town-gown relationships. UMW’s conduct process is an educational tool to support student learning and is intended to perpetuate life skills and citizenship through accountability.

The University may choose to adjudicate any misconduct that implicates the interests of the University or jeopardizes the health and safety of the campus community. UMW may choose to adjudicate off-campus violations that occur in any program for which students receive UMW academic credit regardless of their UMW enrollment status at the time. UMW may also choose to adjudicate off-campus violations by any degree-seeking students regardless of their enrollment status at the time the violation occurred. Participants in the decision to adjudicate may include the Director of Student Conduct and Responsibility, Dean of Student Life, or the Vice President for Student Affairs.

UMW will adjudicate off-campus violations when the conduct has an equivalent in the Code of Conduct. For example, if a student is arrested or cited for being “drunk in public,” he or she could be charged with violating UMW’s policy related to alcohol intoxication. If a student is charged with

public urination, he or she could be charged with violating UMW's policy related to disorderly conduct. This information will typically come to the University through official police communication. The incident will be adjudicated by an administrator or by the Student Conduct Review Board as noted in the conduct hearing procedures.

Interim Suspension Prior to Adjudication:

The University may, notwithstanding the location of the offense, suspend a student on an interim basis for any alleged major violation of state or federal criminal law or university policy which the Dean of Student Life, Director of Student Conduct and Responsibility, or designee finds would jeopardize the safety and security of the campus community. The student shall have the right to appeal the interim suspension, and the appeal will be heard by the Vice President for Student Affairs.

Student Conduct Process Rights and Responsibilities:

A student who has been accused of violating the Code of Conduct has the following rights with regard to the conduct process:

1. To request a one-on-one meeting with an OSCAR or Residence Life professional in which conduct process rights and procedures are explained. The University reserves the right to mandate such a meeting.
2. To be informed of all charges prior to a hearing, and to review incident documentation. Documentation that includes information about other individuals may be redacted. Copies of incident documentation generally are not released to students.
3. To advance notice of at least three working days before a hearing is to be conducted.
4. To have a fair and impartial conduct hearing.
5. To request witnesses to speak in the student's defense. The hearing officer or Chair may limit witnesses or statements deemed repetitious or unnecessary. Accused students should inform the hearing officer or Chair prior to the hearing as to the identity of their witnesses no less than two working days prior to the hearing. The only witnesses allowed will be those with information regarding the specific incidents or conduct in question. Character witnesses are not allowed.
6. To ask questions of all witnesses who participate in the hearing.
7. To be present at the hearing, except during deliberation, or when other accused students are speaking. Students who do not appear for a hearing are not assumed to be in violation, but the hearing may be conducted in their absence.
8. To be presumed not in violation unless found in violation for any charge(s). The standard of evidence used in all University conduct hearings is preponderance of evidence. This means that for a student to be found in violation of a charge, the evidence must persuade the hearing officer or board that it is more likely than not that the student was in violation.
9. To name an advisor. The advisor must be willing to assist and advise the student during the hearing, but may not speak on behalf of the student. The advisor may be any individual of

the accused student's choosing, as long as he or she is not also a hearing witness. Accused students are requested to provide notice of the identity of their advisor preferably at least 24 hours in advance of any hearing or investigative meeting that the advisor is slated to attend.

10. To be aware of all evidence presented during the hearing and to have the opportunity to review all relevant available documents.
11. To be notified of the decision made as a result of the hearing.

Sanctions:

If students are found in violation of the Code of Conduct, they are assigned one or more sanctions by the hearing officer or SCRB. Sanctions may be punitive in nature, but whenever possible, they are intended to create an educational outcome. Depending on the violation, they may range from a warning to, for the most serious violations, permanent expulsion from the University. Common sanctions include research papers, papers in which students are asked to reflect on the incident and on their conduct, online alcohol or drug education courses, community restitution, letters of apology, follow-up meetings with administrators, and disciplinary probation. Given the individual nature of each situation, there is no set list of mandatory sanctions attached to specific violations.

Administrative Withdrawals:

If a student is expelled or suspended from the University as a sanction for violating the Code of Conduct, or as a result of another administrative action, such involuntary withdrawal is termed Administrative Withdrawal. A student thus expelled/suspended is not eligible for readmission (in the case of expulsion) or refund of any fees, except the balance of a meal plan, if applicable.

Appeals:

Appeals of conduct hearing decisions may be made only on one or more of the following grounds:

- 1) the conduct professional or SCRB exhibited unfair bias, which influenced the results of the hearing;
- 2) the availability of new evidence, unavailable at the time of the hearing, that could substantially impact the conduct professional's or SCRB's decisions or sanctions;
- 3) an error in hearing procedures, such as those described in the "Student Conduct Process Rights and Responsibilities," that is of such magnitude as to deny fundamental fairness; and/or
- 4) the sanction(s) issued by the conduct professional or SCRB are inappropriate for or inconsistent with the violation.

Instructions for submitting an appeal electronically, using UMW's conduct management system, can be found in the hearing outcome letter that every student receives after the conclusion of their

conduct hearing. All appeals should be submitted electronically. If students are unable to do so for any reason, they should contact OSCAR for assistance. Appeals must be submitted within five (5) business days of the date on the hearing outcome letter.

Appeals of conduct hearing decisions made by the Director or Associate Coordinator of OSCAR will be heard by the Dean of Student Life, or, if this individual is unable to serve in this role for any reason, by the Vice President for Student Affairs.

Appeals of conduct hearing decisions made by a Residence Life Area Coordinator will be heard by the Director or Assistant Coordinator of OSCAR.

Appeals of conduct hearing decisions made by SCRB will be heard by a hearing panel comprised of five SCRB members who did not participate in the original hearing, led by a chair who also did not participate in the original hearing.

Student Conduct Review Board (SCRB)

Composition of the Board

The Student Conduct Review Board (SCRB) shall be comprised of the President, Vice President, and twenty elected members – five from each of the first-year, sophomore, junior, and senior classes. The SCRB is advised by the Office of Student Conduct and Responsibility (OSCAR). If a SCRB member feels that they cannot hear the case objectively, that member shall disqualify themselves from the hearing. Hearing panels are selected from the SCRB membership. A Hearing Panel is comprised of a Hearing Chair (either the President or Vice President) and five members. Members will select (from within SCRB), a Hearing Coordinator, a Sanctions Coordinator, a Secretary, and a Treasurer.

Procedures for SCRB hearings:

1. The SCRB President and/or Vice President receive the incident documentation and schedule the hearing.
2. The accused student is contacted about which violation(s) of the Code of Conduct they have been charged with, and about the scheduled date and time of the hearing.
3. When the hearing is convened, all those in attendance introduce themselves by their name and their role in the hearing.
4. The Hearing Chair reminds all present about adherence to the Honor Code, and about the standard of evidence used, which is preponderance of evidence.

5. The incident documentation is presented by the Hearing Chair.
6. The Hearing Chair reads the charges to the accused student, who pleads “Responsible” or “Not Responsible” after each charge. (If the accused student pleads “Responsible” to all charges, the hearing may move directly into the sanctioning phase.)
7. The incident documenter (if present) and witnesses (if present) requested by the SCRB relate their perspectives of the incident. The accused student may question them.
8. The accused student relates their perspective of the incident.
9. Witnesses (if present) requested by the accused share their perspectives of the incident. The accused student may question them.
10. The accused student is given the opportunity to hear all statements made by the incident documenter and by the witnesses.
11. The accused student is given the opportunity to make a closing statement.
12. The Hearing Chair adjourns the hearing for deliberation. The Hearing Panel may recall any individual to question them further. The decision of the Hearing Panel is based on the incident documentation and on statements made during the hearing. A simple majority of Hearing Panel members present will determine whether the accused student is found “Responsible” or “Not Responsible” for each charge.
13. The Hearing Chair reconvenes the hearing and the accused student (and his or her advisor, if present) and announces the Hearing Panel’s decision.
14. If the accused student is found “Responsible” for one or more charges, they are given the opportunity to make a statement and the Hearing Panel is given the opportunity to question the accused student further.
15. The Hearing Chair adjourns the hearing for sanctioning. The decision of the Hearing Panel is based on the incident documentation, statements made during the hearing, educational questions asked by the Hearing Panel members, and any prior violations for which the accused has been found “Responsible.” Hearing Panel members will reach a decision concerning sanctions by a simple majority.
16. The Hearing Chair reconvenes the Hearing Panel and the accused student (and their advisor, if present) and announces the Hearing Panel’s decision. The accused student is reminded about their right to appeal the hearing.
17. The Hearing Chair adjourns the hearing.

Procedures for Administrative Hearings:

1. The hearing administrator receives the incident documentation, charges the student with one or more violations of the Code of Conduct, and schedules the hearing.
2. The accused student is contacted about the scheduled date and time of the hearing.
3. When the hearing is convened, the hearing administrator explains their role in the hearing.
4. The hearing administrator reminds the accused student and other participants (if present) about adherence to the Honor Code, and reminds the accused student about the standard of evidence used, which is preponderance of evidence.

5. The incident documentation is presented by the hearing administrator.
6. The hearing administrator reads the charges to the accused student, who pleads “Responsible” or “Not Responsible” after each charge. (If the accused student pleads “Responsible” to all charges, the hearing may move directly into the sanctioning phase.)
7. The incident documenter (if present) and witnesses (if present) requested by the hearing administrator relate their perspectives of the incident. The accused student may question them.
8. The accused student relates their perspective of the incident.
9. Witnesses (if present) requested by the accused share their perspectives of the incident. The accused student may question them.
10. The accused student is given the opportunity to hear all statements made by the incident documenter and by the witnesses.
11. The accused student is given the opportunity to make a closing statement.
12. The hearing administrator deliberates whether or not the student is to be in violation of the charge(s). The hearing administrator may recall any individual to question them further.
13. If the accused student is found “Responsible” for one or more charges, the hearing administrator considers sanctions. Sanctions are based on the incident documentation, statements made during the hearing, educational questions asked by the administrator, and any prior violations for which the accused has been found “Responsible.”
14. The hearing administrator states their decision to the accused student and reminds them about their right to appeal the hearing.

Bias Policy

The Bias Incident Reporting Policy has been established to help ensure a safe and inclusive working and educational environment for all members of the University of Mary Washington community. The University considers acts of bias on the basis of race, religion, color, sex (including pregnancy, gender identity, and sexual orientation), parental status, national origin, age, disability, family medical history or genetic information, political affiliation, military service to be unacceptable and antithetical to our [community values](#), most notably our commitment to inclusiveness and the right of every individual to be treated with dignity and respect.

What is meant by bias incident?

Bias incidents involve any behavior that a person finds harmful or hurtful and reasonably believes is directed at him or her or others simply because of one's race, religion, color, sex (including pregnancy, gender identity, and sexual orientation), parental status, national origin, age, disability, family medical history or genetic information, political affiliation, or military service.

Reporting Bias Incidents

The bias incident reporting program is established to assist the University in promoting an environment that fosters civility and mutual respect for all. Members of the University community are strongly encouraged to report all bias incidents. A person does not have to be a member of a protected class or group in order to be a victim of a bias incident.

How does one make a Bias Incident Report?

The University of Mary Washington urges all members of the University to promptly report all bias incidents at https://cm.maxient.com/reportingform.php?UnivofMaryWashington&layout_id=10

What happens to the report?

The Chief Diversity Officer will receive all reports. All bias incident reports will be reviewed promptly by a designated staff member. Reports concerning student behavior will be followed up by personnel

in Student Affairs. Reports of employee conduct will be followed up by the Office of Human Resources. For all reports containing contact information, a designated staff member will contact the reporting person and will be available to meet with him or her to explore a plan for resolution and to provide information about related University policies, procedures, and services.

Other University offices may be consulted as needed to ensure a proper response. Incident reports and related follow up will be treated as confidentially as possible. Information will be shared only as needed. Bias incident data will be used to develop community educational and outreach programs.

Directives from University Officials

It is the student's responsibility to respond immediately to any of the following directives or requests from a University official while they are enforcing University policy or procedure, or is in the discharge of their responsibilities:

1. Identify oneself
2. Come to the office of an official
3. Leave a gathering when asked to disperse
4. Any other reasonable request

University officials include, but are not limited to, UMW administrators and faculty, UMW police, Honor Council members, resident assistants, and Student Conduct Review Board (SCRB) members. University officials have the right to stop and question any person entering the UMW residence halls to determine their purpose for being there.

Disorderly or Obscene Conduct

No student shall be involved in disorderly or obscene conduct. Such conduct includes, but is not limited to: fighting, creating a disturbance, obscene language, verbal or physical harassment, making excessive noise. Disorderly or obscene conduct on campus, at any UMW-sponsored event, or while operating or traveling in any Mary Washington or state-owned vehicle, should be reported to the Office of Student Conduct and Responsibility (OSCAR), or, in urgent situations, to University Police.

Drug Policy

Drug Search and Seizure Procedures

When alerted to a possible violation of the Drug Policy in the residence halls, Residence Life staff members will investigate using the following guidelines:

Plain View: Resident(s) Present in the Room – Residence Life staff will contact the University Police supervisor on duty and explain the circumstances. The supervisor will determine whether a criminal search is indicated. Residence Life staff members will announce/introduce themselves, state the reason for the room check, ask the resident(s) to confirm or deny the presence of drugs and, if confirmed, ask who is responsible. Materials in plain view will be confiscated by the staff members, a thorough search of the room will be conducted, and University Police will be called to collect the material. An Incident Report will be written and distributed to appropriate administrators, i.e., the Area Coordinator, the Assistant Director, the Associate Director, or the Assistant Dean of Residence Life; the Dean of Student Life; and the Director of the Office of Student Conduct and Responsibility (OSCAR).

Plain View: Resident(s) Not Present – Residence Life staff will contact the University Police supervisor on duty and explain the circumstances. The supervisor will determine whether a criminal search is indicated. In an administrative search and seizure, the Residence Life staff members will enter the room and confiscate any drugs in plain view. No search will be conducted at that time, but the room will be secured. When residents return, they will be directed to another location and the situation explained to them. Further searches may be conducted at that time, at the direction of University Police.

Administrative Search – After approval by the Dean of Student Life or designee, an administrative search and seizure will be conducted by appropriate Residence Life or administrative staff members (i.e., the Area Coordinator, the Professional on-call, the Associate Director, the Assistant Dean of Residence Life, Dean of Student Life, or Senior Staff administrator on-call) with another professional staff member. The Residence Life staff members present will knock on the door, introduce themselves by name and title, key-in, and enter the room. The police officer will remain outside the room to provide assistance if necessary. The staff members will introduce all personnel to the resident(s), state the purpose for the search, and explain that the officer is present in an administrative capacity to take possession of any illegal drugs found in the room. Staff members will ask the resident(s) to confirm or deny the presence of drugs and, if present, to identify the responsible person. A thorough search of the room will be conducted. Any drugs or paraphernalia found will be handed to the officer outside the room. This procedure will be followed whether residents are present or not present in the room. Resident(s) will be informed that an Incident Report will be written, and that the substances found will be analyzed by the police.

Hazing

The purpose of this policy is to ensure that students at the University of Mary Washington are not subjected to hazing. Hazing is an unproductive and hazardous activity that has no place at the

University of Mary Washington, either on or off campus. Hazing is injurious to the individuals involved, and to the University itself.

This policy applies to all individuals and recognized groups associated with the University of Mary Washington, including, but not limited to, administrators, coaches, faculty, organization advisors, staff, students, athletic teams and clubs, bands, and student organizations.

As it is impossible to anticipate every situation that could constitute hazing, this list does not, and cannot, encompass every circumstance that will cause the University to discipline individuals or groups for hazing. This policy is not intended to prohibit the following conduct:

1. Customary athletic events, contests, or competitions that are sponsored by the institution, or the organized and supervised practices associated with such events; or
2. Any activity or conduct that furthers the goals of a legitimate educational curriculum or extracurricular program, as approved by the Institution.

Hazing shall include, but not be limited to, forcing, compelling, requiring, encouraging, or expecting, whether direct or implied, any individual to participate in any of the following actions or activities:

1. Paddling
2. Kidnapping
3. All forms of physical activity which are used to harass, punish, or harm an individual
4. Excursions or road trips
5. Confinement
6. Spraying, painting, or pelting with any substance
7. Burying in any substance
8. Nudity with the intent to cause embarrassment
9. Servitude
10. Exposure to uncomfortable elements
11. Verbal abuse
12. Wearing, in public, of apparel which is conspicuous and/or indecent
13. Forcing consumption of alcohol or any other substance, legal or illegal
14. Depriving students of sufficient sleep (six consecutive hours per day is normally considered to be a minimum)
15. Burning, branding, or tattooing any part of the body
16. Psychological hazing, defined as any act which is likely to:
 - a. Compromise an individual's dignity
 - b. Cause an individual embarrassment or shame
 - c. Cause an individual to be the object of malicious amusement or ridicule
 - d. Cause an individual emotional distress
17. Interrogating an individual in an intimidating or threatening manner
18. Misleading prospective members in an effort to convince them that they will not become members unless they complete tasks, follow instructions, or act in a certain way
19. Misleading prospective members into believing that they will be hurt during induction or initiation

20. Carrying any items (shields, paddles, bricks, hammers, etc.) that serve no constructive purpose or that are designed to punish or embarrass the carrier
21. Blindfolding and parading individuals in public areas, blindfolding and transporting in a motor vehicle, or privately conducting blindfolding activities that serve no constructive purpose
22. Binding or restricting an individual in any way that would prohibit them from moving on their own
23. Requiring or suggesting that an individual obtain or possess items or complete tasks in an unlawful manner (i.e. for a scavenger hunt)

Hazing also includes soliciting, directing, aiding, or otherwise participating actively or passively in the above acts.

This policy encompasses all acts of hazing that occur whether on or off campus. As such, an act of hazing by an individual or organization will be viewed by the University as a violation of its hazing policy, regardless of where the act of hazing took place.

An individual may not consent to being hazed, and a victim's voluntary or willful participation in hazing activities will not be considered as a defense against a violation of the University's hazing policy by an individual or organization.

The University of Mary Washington urges all members of the University to promptly report all hazing incidents by using the [UMW Reporting Form](#).

Hazing, as defined in this statement, is prohibited under the Code of Virginia as well as by the University's policies. Any individual or organization found to be in violation of this policy shall be subject to appropriate disciplinary action in accordance with applicable law.

§ 18.2-56 of the Code of Virginia states: "the institution's policies and procedures shall provide for expulsions or other appropriate discipline based on the facts and circumstances of each case and shall be consistent with the model policies established by the Department of Education or the State Council of Higher Education, as applicable."

I. Responsibility of individuals and organizations

Hazing is prohibited by the Code of Conduct. Both individuals and organizations may be held responsible for their actions and participation in incidents of hazing. If an investigation concludes that an individual or individuals directed, engaged in, aided or otherwise participated in, actively or passively, an incident of hazing, disciplinary action may be imposed against the individual(s). If the investigation concludes that an organization knowingly permitted, authorized, or condoned hazing, disciplinary action may be imposed against the entire organization.

II. Retaliation

It shall be a violation of this policy for an individual or organization to retaliate against a student or other person for reporting a suspected incident of hazing or cooperating in any investigation or disciplinary proceeding regarding an incident of hazing. Harassment and/or intimidation of a member of a conduct body prior to, during, and/or after a conduct proceeding are prohibited by the Code of Conduct.

Student Conduct Record Retention and Privacy Policy

Student conduct records are confidential to the extent allowed by University policy and the law, and the conduct-related contents of student educational files cannot be shared unless students sign a release permitting the information to be shared with specific individuals or, in the case of a student who is a minor, the eligible parent or legal guardian, except as stipulated by the Registrar's Office and with the four following exceptions:

1. Conduct-related information may be shared with other educational institutions and other university personnel considered those who "need to know," such as a coach in his or her role as an advisor to a student athlete;
2. Conduct-related information pertaining to repeated or major violations of the drug and alcohol policy may be shared with parents or other legal guardians. This exception does not apply if the student is 21 years old or over, or if the student can demonstrate that he or she is financially independent.
3. Parental notification may occur if the student's actions result in hospitalization.
4. Conduct-related information may be shared subject to subpoena or other court order.

Certain conduct-related documents (e.g., incident reports, decision letters) are shared with accused students to assist them with preparation for a hearing or to provide them with official notification of a hearing's outcome. Because these documents may contain private information about other students (witnesses, other accused students, etc.), they are not to be shared with other individuals. Copies of incident documentations generally are not released to students. Students who do not respect the privacy of other individuals with respect to conduct-related documentation may be subject to additional conduct action.

Conduct-related records in the Office of Student Conduct and Responsibility (OSCAR) are retained in a student's educational file while they are a student at the University of Mary Washington until three years after they last attend the University. However, in the case of conduct-related expulsions from the University, relevant conduct records are retained indefinitely. The University is required to retain certain conduct records for longer than three years after the student's last attendance — for example, to comply with the Campus Security Act. To that end, some conduct records, once they have been removed from an individual student's educational file, may be retained for a longer period of time in a separate file. At that point, they will not be considered part of the student's educational file. However, in the event that the University is subpoenaed to release an individual

student's conduct records, any information still retained, even if it is retained outside of the student's educational file, will be released in compliance with the subpoena.

Students are encouraged to keep in mind that potential employers, in addition to graduate institutions, law enforcement, and the military, frequently request conduct information concerning candidates during the hiring or admissions process, and that the University complies with such requests whenever possible.

Parental Notification

The Family Educational Rights and Privacy Act (FERPA) allows for universities to notify certain family members if their student is found responsible for violating the institution's alcohol or drug policies, or state laws regarding alcohol or drug use. At the University of Mary Washington, a parent or guardian of any student under the age of 21 will be notified under the following conditions:

1. If the student is found responsible for violating the University's policy prohibiting alcohol intoxication, whether or not the student was arrested or transported to the hospital.
2. If the student is found responsible for a second or subsequent violation of the University's Alcohol Policy, regardless of the violation's severity.
3. If the student is found responsible for any violation of the University's Drug Policy.

A letter and/or phone call from the Dean of Student Life or designee will inform the parent/guardian. Typically, notification in these conditions does not occur until after the incident has been adjudicated, and the student's right to appeal the outcome has expired.

Policy on Sexual and Gender-Based Harassment and Other Forms of Interpersonal Violence

This Policy, including reporting options, on and off campus resources, and support, can be found online at <http://diversity.umw.edu/title-ix/>

Policy Statement

The University of Mary Washington (UMW) is committed to providing a safe and nondiscriminatory learning, living, and working environment for all members of the University community. UMW does not discriminate on the basis of sex or gender in any of its education or employment programs and activities. To that end, this Policy prohibits specific forms of behavior that may violate Title IX of the Education Amendments of 1972 ("Title IX"); relevant provisions of VAWA; Title VII of the Civil Rights Act of 1964 ("Title VII"); the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act ("Clery Act"); and the Virginia Human Rights Act.

UMW prohibits Sexual Assault, Sexual Exploitation, Intimate Partner Violence, Stalking, Sexual or Gender-Based Harassment, Complicity, and Retaliation against a person for the good faith reporting of any of these forms of Prohibited Conduct or participation in any investigation or process under this Policy (collectively, “Prohibited Conduct”). These forms of Prohibited Conduct undermine the character and purpose of the University, and will not be tolerated.

The specific procedures for investigating, and resolving Prohibited Conduct are based upon the nature of the Respondent’s relationship to the university (student, employee, or third party). Each set of procedures referenced below is guided by the same principles of fairness and respect for Complainants and Respondents.

UMW adopts this Policy with a commitment to: (1) eliminating, preventing, and addressing the effects of Prohibited Conduct; (2) fostering a community of trust and mutual respect in which Prohibited Conduct is not tolerated; (3) cultivating a climate where all individuals are well-informed and supported in reporting Prohibited Conduct; (4) providing a fair and impartial process for all parties; and (5) identifying the standards by which violations of this Policy will be evaluated and disciplinary action may be imposed. Employees or students who violate this Policy may face disciplinary action up to and including termination or expulsion. The University will take prompt and equitable action to eliminate Prohibited Conduct, prevent its recurrence, and remedy its effects. The University conducts ongoing prevention, awareness, and training programs for employees and students to facilitate the goals of this Policy.

It is the responsibility of every member of the UMW community to foster an environment free of Prohibited Conduct. All members of the UMW community are encouraged to take reasonable and prudent actions to prevent or stop an act of Prohibited Conduct. Community members who take such actions will be supported by the university and protected from Retaliation.

The Honor System

Scope of the Honor System

The Honor System at the University of Mary Washington is a deeply cherished tradition founded upon the personal integrity of each individual member of the University community. It requires that all members of this community conduct themselves honorably at all times and in all dealings with others. This shared commitment to high ethical standards creates an atmosphere of trust and respect vital to the unique sense of community which characterizes the institution.

It is the students who are responsible for determining when a breach of honor has been committed, and it is they who are entrusted with enforcing the system. Accordingly, every member of the student body has the responsibility, not only for understanding the provisions of the Honor Code, but also for maintaining at all times the highest possible degree of personal integrity. Moreover, every student must realize that acceptance of admission to Mary Washington includes the explicit agreement to abide by the provisions of the Honor Code as contained in the Honor Constitution and the Honor System Guidebook.

The *Honor System Guidebook and Constitution* is designed to assist students and faculty in understanding the Honor System at the University of Mary Washington. It contains the Honor Council Mission Statement and Honor Council Bylaws, including organizational guidelines and hearing procedures. A brief summary of student responsibilities and an explanation of various terms is also included. This material should be read carefully by all members of the University community. Questions regarding any aspect of the Guidebook should be directed to the appropriate Fredericksburg or Stafford campus Honor Council president or other Honor Council members, or to any of the respective faculty advisors.

Mission Statement

The University of Mary Washington Honor Council ensures the integrity of the University's Honor System, and operates on the basis that members of the University community take responsibility for their own actions. The Honor Councils provide education concerning the Honor System for all members of the University, that together we may develop a community in which honorable decision making prevails. Facilitation of student enforcement and understanding of the Honor System, as defined in the Honor Constitution, is a key function of the Council. As elected representatives of the student body, the University of Mary Washington Honor Councils address student concerns regarding the Honor System, and serve the entire University community.

Honor Pledge

In order to reaffirm commitment to the Honor System, the student shall write out in full and sign the following pledge on all quizzes, examinations, papers, and other assignments, as appropriate: ***“I hereby declare upon my word of honor that I have neither given nor received unauthorized help on this work.”***

By writing and signing this statement, the student affirms his or her promise to uphold the Honor Pledge. This pledge verifies that the work submitted is the student’s own and has been done in accordance with the requirements set forth by the instructor.
